We call our lug nuts **Tough Nuts** because they're the strongest, safest, most durable lug nuts & bolts in the industry. Since their introduction in 1980, we have manufactured Tough Nuts to meet or exceed the highest OEM standards for safety and durability. Tough Nuts are so durable that we stand behind them with a lifetime written warranty. No chipping. No peeling. No rusting. Guaranteed! Tough Nuts are fully machined, through-hardened, tempered and triple-nickel chrome plated. All can be installed with an impact wrench. Packaged 4 or 8 per pack or in bulk boxes of 50, 100 or 144.
